

**Let the word of Christ richly dwell in us (to the
tune of Let us break bread together)**

**1. Let the word of Christ richly dwell in us,
Let the word of Christ richly dwell in us;
as we travel through this age,
telling the lost about God's grace;
Oh Lord, help me to be bold.**

**2. Let us not be like others who are asleep,
Let us not be like others who are asleep;
as we travel through this age,
telling the lost about God's grace;
Oh Lord, help me to be bold.**

**3. Let us put on the armor of faith and love,
Let us put on the armor of faith and love;
as we travel through this age,
telling the lost about God's grace;
Oh Lord, help me to be bold.**
